INSTRUCTIONS OVERLEAF

IMPORTANT INSTRUCTION FOR THE STUDENTS

- You have to sign the Hall Ticket and in two other specified places in presence of the Invigilator . Do not sign in these spaces beforehand.
- Report at the examination center at least 1 hour prior to the start of the examination so that you can pass through COVID related checks if any and be seated in your allocated seat sufficiently before the start of the exam . If you are late examination authority will not be responsible for the lost time and additional time will not be provided.
- Please check carefully beforehand the location of your exam centre. You can scan the QR code also for the same.
- **Please carry the photo ID (Passport / Aadhar Card / School ID with signature and official stamp) and a proof of date of birth (Passport / Aadhar Card / Birth Certificate). Otherwise, you may be refused entry to the examination.**
- Please ensure that the Office Copy of the Hall Ticket is handed over to the Invigilator before you leave the examination hall .
- You have to sign in the Hall Ticket, in other two specified places in presence of the Invigilator. Do not sign in these spaces beforehand.
- **The Student Copy of this Hall Ticket must be preserved for future reference and must be presented at the time of IMOTC.**
- Your 10-digit IOQM Roll Number is printed on your Hall Ticket. This Roll No. is different from your IOQM Registration No.. This Roll No. must be written correctly and bubble-filled correctly in all relevant spaces of your IOQM OMR Sheets.
-

At the examination centre

- You should bring your own set of writing material including at least two blue/black ball point pens, an eraser, a ruler, etc., to the examination. Sharing of material among students is strictly forbidden. **Use only blue/black ballpoint pens for writing on the OMR.**
- No computational aid or electronic equipment such as Calculators, Mobile phones, Smart-watches, Pagers, log tables, slide rules etc. are allowed.
- Use of unfair means will result in disqualification.
- Silence and decorum must be maintained in the examination hall.

Writing the examination

- Please read carefully all instructions on the question paper and OMR before you start writing.
- Please note that there is no scope for correction of entries in the OMR sheets. Think before you fill, and pay attention to ensure that you are filling the correct bubble. Scratching and other attempts to change the answer will result in the answer being invalidated.
- Incorrectly filled information about your Roll No. and other details may result in non-evaluation or disqualification.
- Please do not write or mark anything outside the designated spaces or on the reverse of the OMR sheet.
- After submission of the OMR, you may take the duplicate/carbon copy of OMR for your reference.
